

About Jamboree

I went Jamboree of Boy Scout from July 27th to August 8th. We got to Yamaguchi and built tent. And we helped to foreign scout build their tent. We went to opening ceremony 29th. It was fun. Program started from 30th. We went science program 30th. Some company and volunteer came to it, for example Toyota, Yakult and Hitachi. It was interesting. We went water program 31st. It swam in the pool. It was not very fun. We went culture program 1st. we learned foreign culture. It was fun. We went piece program 2nd. We went to Atomic Bomb Memorial in Hiroshima. There was a cool thanks to cooler. We did food festa 3rd. it was that we ate foreign food. Tea of Scout Africa and Chinese is very good! My squad was able to experience the tea ceremony. Maybe guest enjoyed that. We went at elementary school 4th. It's not very fun. We went environment program 5th. We went to limestone cave and shrine 5th. They were so beautiful. We had free time 6th and 7th. We went foreign squad and ate dinner with Thai. It was so fun. And Thai food was spicy and good! We went closing ceremony 8th. Then I thought lonely. I think "it was good to be valuable experience".
